

For almost forty years Loos & Company has manufactured and perfected its Canveyor® Cable products. Since 1973 the Canveyor® Trademark has been a recognized symbol of quality and reliability at canneries throughout the world. Loos & Company wants to make sure that the only down time your line sees is when you schedule it. We are dedicated to manufacturing the highest quality products, and that is why with proper preforming and strict quality standards that Loos & Company stands above the rest. With our passion for perfection, and our exclusive Lolon® coatings, we are able to provide the best can conveyor cable available. Call your current conveyor cable supplier or a Loos & Company Product Manager (sales@loosco.com or 800.533.5667) and ask for only Loos & Company Canveyor® Cable. Below is a table of Lolon® Coated Canveyor® Cables. Note that all part numbers ending in “CCV” have clear jackets, and all parts ending in “BCV” have black jackets.
